NorthBay is about an hour north of Perry Hall in Northeast, MD on the Chesapeake Bay. Campus Life is renting the facility from NorthBay and we are running our own camp. Here is the website to the camp to see what it is like: <http://www.northbaysummer.com/>

We will be with middle schoolers who are a part of Campus Life from around the region. We are expecting at least 300 students.

Please call or email me with additional questions. Permission slips and other forms will be provided later.
